To complete the proposed restructuring, on October 8, 2009, the Company and its domestic subsidiaries (collectively, the “Debtors”) filed a voluntary petition for protection under Chapter 11 of the U.S. Bankruptcy Code seeking approval for the proposed plan of reorganization.

On February 18, 2010, the Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) entered an Order (the “Confirmation Order”) confirming the Debtors’ Third Amended Joint Plan of Reorganization (the “Plan”) under Chapter 11 of the Bankruptcy Code. The Reporting Persons acquired the Shares and Warrants in exchange for Old Shares and Old Notes and in connection with the backstop of the Rights Offering as described in Item 3. The Old Shares and Old Notes were acquired for investment purposes. The Reporting Persons acquired the Convertible Notes for investment purposes. The Reporting Persons expect to conduct discussions from time to time with management of the Company, other stockholders of the Company or other relevant parties that may include matters relating to the financial condition, strategy, business, assets, operations, capital structure and strategic plans of the Company.

In addition to the foregoing, the Reporting Persons may engage the Company, other stockholders of the Company or other relevant parties in discussions that may include one or more of the other actions described in subsections (a) through (j) of Item 4 of Schedule 13D, including one or more transactions involving changes in the Company's capital structure and/or the Company's indebtedness. In connection with any such transactions or otherwise, the Reporting Persons may evaluate or discuss with the Company, other stockholders of the Company or other relevant parties the investment by the Reporting Persons of additional capital in the Company in exchange for equity or debt securities of the Company and potential board representation and/or corporate governance rights.

The Reporting Persons expect to evaluate on an ongoing basis the Company's financial condition and prospects and their interest in, and intentions with respect to, the Company, and may enter into privately negotiated derivative transactions with institutional counterparties to hedge the market risk of some or all of their positions in the Shares, the Warrants, the Convertible Notes or other securities of the Company. Whether the Reporting Persons propose or engage in any investment or other transaction

Accordingly, the Reporting Persons may change their present intentions at any time.

Except as set forth in this Item 4, the Reporting Persons have no present plans or proposals that relate to or that would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D of the Act.

(a), (b) The information set forth in Rows 7 through 13 of the cover pages to this Schedule 13D is hereby incorporated herein by reference for each Reporting Person.

(c) The information set forth in Item 3 is hereby incorporated by reference for each Reporting Person.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information set forth in Items 3, 4, and 5 of this Statement is incorporated in this Item 6 by reference.

In connection with the issuance of the Convertible Notes, on February 26, 2010 the Company entered into an Indenture (the "Indenture") by and among the Company, certain Guarantors named therein, and Wilmington Trust FSB as Trustee. Under the terms of the Indenture, the Convertible Notes are senior unsecured obligations of the Company and rank *pari passu* in right of payment to any then-existing senior unsecured debt of the Company or any guarantor, and senior in right of payment to any current or future subordinated debt of the Company or of any guarantor. The obligations of the Company under the Indenture are guaranteed by each of the Company's domestic subsidiaries. Interest on the Convertible Notes is payable semi-annually, in arrears, with the first six interest payments being paid-in-kind. In the aggregate, the Convertible Notes are initially convertible into 186,666,667 Shares, but contain an anti-dilution provision such that, among other things, the Convertible Notes will be convertible into 219,607,789 Shares if the Warrants are exercised. In addition, the number of shares into which the Convertible Notes may convert will increase as interest payments are paid-in-kind. The Convertible Notes are convertible at any time at the option of the holder thereof, in part or in whole.

Pursuant to the Company's Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation"), so long as any obligations under the Convertible Notes are outstanding pursuant to the Indenture and not discharged in full, the holders of the Convertible Notes shall be entitled to vote upon all matters upon which holders of any class or classes of common stock of the Company have the right to vote. The number of votes represented by each Convertible Note shall be equal to the largest number of whole shares of Common Stock (rounded down to the nearest whole share) into which such Convertible Note may be converted, in accordance with the Indenture, at the record date for the determination of the stockholders entitled to vote on such matters or, if no such record date is established, at the date such vote is taken.

CUSIP No. 00439T107

Pursuant to the Plan, each of the Funds other than PFI received Warrants in exchange for their Old Shares (as described in Item 3, above). Each Warrant may be exchanged for one Share at a price of \$2.10 per Share, beginning on March 1, 2010, and continuing until the date two years after the Effective Date. The Warrants contain customary anti-dilution adjustments in the case of (i) stock splits, capital stock dividends, combinations and consolidations of common stock, (ii) reclassifications of stock, and (iii) mergers or consolidations.

Pursuant to the Plan, the Company entered into a registration rights agreement (the "Registration Rights Agreement"), effective February 26, 2010, with holders of the Convertible Notes and certain entities that currently or may in the future hold Shares as a result of (i) exchange of Old Notes pursuant to the Plan, (ii) conversion of Convertible Notes into Shares or (iii) payment of the backstop fee pursuant to the Rights Offering (collectively, the "Registrable Securities"). Under the Registration Rights Agreement, the Company agreed to file within 90 days after the Effective Date a shelf registration statement (the "Shelf Registration Statement") with the Securities and Exchange Commission (the "SEC"), providing for the registration of Registrable Securities. The Company agreed to pay reasonable expenses incident to registration with the SEC of the Registrable Securities. Further, holders of Registrable Securities agreed to abide by a holdback period during the 7 days prior to and during the 90-day period following any underwritten offering of Registrable Securities. The holders of a majority of the Registrable Securities (the "Required Holders") are entitled to request underwritten offerings of the Registrable Securities pursuant to the Shelf Registration Statement; provided, that the Company is not obligated to complete (i) more than two underwritten offerings during the Effective Period (as defined in the Registration Rights Agreement) and (ii) more than one underwritten offering in any 180-day period.

The foregoing descriptions of the Indenture, the Certificate of Incorporation, the Warrants and the Registration Rights Agreement are qualified in their entirety by reference to the full text of each of the Indenture, the form of Warrant and the Registration Rights Agreement, respectively, filed with the Company's Form 8-K, filed March 4, 2010, and which are incorporated herein by reference.

On February 26, 2010, Michael Bevacqua, a Managing Director of Sankaty Advisors, LLC, was appointed to the board of directors of the Company. The Reporting Persons disclaim their potential status as directors by deputization by virtue of Mr. Bevacqua's position on the board of directors of the Company.

Except as described above, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons or between such persons and any other person with respect to any securities of the Company, including but not limited to the transfer or voting of any securities of the Company, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, divisions of profits or loss, or the giving or withholding of proxies.
